***When Your Child Is Missing: A Family Survival Guide* (Fifth Edition) is a multimedia compass for parents in the midst of crisis.**

Visit **AMBERAdvocate.org/families** for clear, supportive, actionable advice from eight parents who have experienced missing child incidents. They've teamed with veteran law enforcement professionals to help you understand the complex search process—and how to best assist in the effort.

**Filled with checklists, tips, and the most up-to-date resources, the *Guide* and its videos highlight:**

- What to expect during the first 48 hours of the search for your child, as well as a longer-term investigation.
- How to collaborate effectively with law enforcement, search and rescue professionals, volunteers, and others.
- Best practices for using traditional and social media.
- Considerations for managing rewards and donations, your own finances, and your family's wellbeing.
